Honorable Court:

I, Ana Chala, know Claudia Selene Perdomo Nova for 24 years. I am married to her father. I can attest that she is an honest person and a hardworking person. She is a single mother that has properly raised her children. Each time that her father has been ill, she has always helped us and has taken care of him since on occasions, I have had to work more than the usual.

When she lived in our home, she helped clean and cook. She also make sure that we did not lack anything. In reality she has always been very good company, and I consider her more than a stepdaughter, I consider her a friend and a person that I can trust.

Attentively,

/s/ Ana Chala

Honorable Corte:

Yo Ana Chala conozco a Claudia Selene Perdomo Nova hace 24 años, soy la esposa de su papa y puedo testificar que es una persona muy honesta, emprendedora, madre soltera que ha logrado sacar adelante a sus hijos. Cada vez que él se ha encontrado mal de salud ella siempre ha estado dispuesta a ayudarnos y estar pendiente de él, ya que en ocasiones tengo que trabajar más de la cuenta.

Cuando vivía en nuestra casa, ayudaba con la limpieza, comida y se encargaba de que no faltara nada, realmente siempre ha sido una muy buena compañera y más que mi hijastra la considero una amiga y una persona en la que puedo confiar.

Atentamente:

Ana Chala

Honorable court,

My name is Karina Seleny Marquez Perdomo and I want to talk about my mother Claudia Selene Perdomo Nova who is currently under arrest. My mother has always been an enterprising woman and a positive influence in my life, thanks to her efforts to bring my brother and I back to this country, we have had the opportunity to learn English and fight for a safer future for us as a family, we grow up without a father around but she made sure we always respect each other and take care of each other. Although she is from Colombia, she sacrificed her own roots in order to provide us with a healthier environment and to be able to make our dreams true.

I don't only owe this woman my life, but I owe her my sense of responsibility and everything I have been able to achieve so far. I'm currently still going to college working on my first degree and working full time to pay for it. She has taught me how to be independent and how to succeed with effort and by being always honest. Every day she has a new lesson, a positive attitude and a sense of empathy for those around her. I am a witness that she has done everything on her part to not bother anyone and show that's she's always willing to lend a hand if necessary.

Sincerely Yours,

Honorable court:

I am writing on behalf of Claudia Selene Perdomo Nova who not only is a good friend but also my sister in law. She has been a great help to me during the time my children were smaller, in the form of being responsible in taking them to school and picking them up and at times a few hours after school because of my work schedule and since I am a single mother as well.

In my eyes, she is very dependable and reliable. She also was available to me by coming by my home once a week and help me with the cleaning my home for about one year now.

Thank you very much.

Sincerely yours,

Magda Perdomo
